## MINISTRY OF FOREIGN AFFAIRS, MALAYSIA

**FOR IMMEDIATE RELEASE**

### **MALAYSIA STRONGLY CONDEMNS THE ATTACK BY ISRAELI OCCUPATION FORCES IN GAZA, PALESTINE**

Malaysia condemns in the strongest terms the airstrikes by the Israeli regime on residential buildings and other sites in Gaza since 9 May 2023 which killed at least 27 Palestinians and injured more than 70 civilians.

This latest attack by the Israeli regime is another blatant disregard and disrespect for international human rights and humanitarian laws.

The international community needs to act in unison to end the decades-long persecution of the Palestinian people.

Malaysia calls upon the international community to firmly censure the Israeli regime for incessantly committing the inhumane oppressions and dreadful crime of apartheid against the Palestinians.

We also urge the United Nations Security Council (UNSC) to hold Israel accountable for all its violations and atrocities.

Malaysia stands firm by our principled position that the Palestinians deserve their own independent and sovereign state, based on the pre-1967 borders, with East Jerusalem as its Capital.
