## MINISTRY OF FOREIGN AFFAIRS, MALAYSIA

**FOR IMMEDIATE RELEASE**

### **MALAYSIA COMMENDS EGYPT'S IMPORTANT ROLE IN FACILITATING THE DELIVERY OF HUMANITARIAN AID AND RELIEF TO THE PALESTINIANS IN GAZA**

Malaysia commends the important role by Egypt in continuously facilitating the safe and successful delivery of humanitarian aid and relief to the Palestinians in Gaza through the Rafah-Gaza border. The unimpeded channel of humanitarian and relief supplies is crucial towards the survivability of Palestinians currently facing huge shortage of basic necessities caused by the total blockade by the Israeli regime.

Malaysia echoes the calls by Egypt in urging Israel to immediately cease the attacks on the Salah al Din Gate on the Palestinian side of the Rafah border crossing, so that delivery of humanitarian supplies could be undertaken immediately to the affected people in Gaza for the sake of humanity.

Malaysia stands ready to join international efforts to deliver humanitarian aid and relief supplies with full facilitation from the Government of Egypt through the Rafah-Gaza crossing checkpoints.
