MINISTRY OF FOREIGN AFFAIRS, MALAYSIA

FOR IMMEDIATE RELEASE

MALAYSIA WELCOMES THE RECENT POSITIVE DEVELOPMENTS AIMED AT RESOLVING THE CONFLICT IN YEMEN

Malaysia welcomes the recent developments in Yemen aimed at securing a long-term solution to the protracted conflict in the country.

Malaysia believes the recent talk to find a permanent ceasefire deal in Sana'a between the Kingdom of Saudi Arabia and the Houthis, mediated by the Sultanate of Oman, is a step in the right direction to create a conducive environment in the ongoing efforts to end the conflict in the country. The meaningful dialogue taking place in the blessed month of Ramadan last week is indeed a very significant development and has paved for the release of prisoners from both sides on 8 April 2023.

Malaysia is hopeful that the recent positive developments in Yemen would eventually contribute towards the betterment of life for the people in the country as well as for the enhancement of peace, security, and stability in the region.

Malaysia remains in solidarity with the people of Yemen and will continue to support all efforts toward a lasting and peaceful resolution to the conflict.
